NOVEMBER SPOTLIGHT

JOHN MCKINNEY

John McKinney (A.k.a. Baby Cakes) has been a part of the RaeArc / Carousel family since 2009. John is a very loveable and outgoing guy whose smile will light up a room. John loves money and writing notes to his favorite girl (Shonelle). He also enjoys music and going to the casino. He is very helpful and does anything that may be asked of him. He is part of the janitorial crew at the workshop. He is also an avid church goer, and participates in a lot of our evening programs!

SUPPORTED EMPLOYMENT UPDATE

We have had many exciting things happening as of late. We recently took a tour of the sports facilities at Youngstown State University, and are working on getting more tours of businesses in the area. We have also reconnected with the Falcon Rescue Cat Shelter! Finally, we ended a successful golf season at Knoll Run Golf Course (this was a Supported Employment favorite!) As we head into the fall and winter months, we will reopen our store to coincide with movie day. This gives our team an opportunity not only to learn about money, but gives them a chance to work in the store as well. Of course, it wouldn't be October if we didn't close out the month with lots of Halloween fun with crafts, treats, and costume parties!

CAROUSEL CENTER II

Due to unexpected delays with the building permits and the installation of the fire alarm system, we have decided to push back the opening of the Carousel Center II to the beginning of the year! Don't forget about our store! Fall is the perfect time to get yourself a comfy hoodie! Also, check out our new website (www.thecarouselcenter.com) to see things like community employment / workshop calendars, pictures, and more!
