JULY SPOTLIGHT

DALE POLCHIES

Dale Polchies has been a part of the Carousel Center for over 6 years! Dale (AKA DJ) is always bursting with personality; he is a friendly and loving man who is easy to get along with. He always has a positive attitude despite the many challenges and fears that he has to overcome. DJ loves the ladies! His hobbies include looking up and filling out truck driving school applications, and using his iPad. His wish is to drive 4-wheeler trucks or school busses one day. We are lucky to have him here with us at the Carousel!

SUPPORTED EMPLOYMENT UPDATE

Even though we had a very wet and rainy June, the sun was shining bright with our Supported Employment Team! We celebrated our partnership with EMF thrift store, as they were the winners of our donut party for the month. Several members of our team delivered the treats as a thank you for EMF and their continued support. On June 12th, we were invited to a ribbon cutting ceremony at Goodwill Industries. Tasha Pruitt and Chris Kukarola attended this event as representatives of RaeArc Industries. They helped celebrate the partnership between Goodwill and CVS as they opened their mock store for job training purposes. Ray Kastello is transitioning very well with his employment at Old Navy. Ray has received several accolades from his managers on a job well done. To finish off the month of June, some of our team members will be going to a Scrappers baseball game and will be celebrating with YSU alumni. Finally, we will be starting our Readiness Classes again this summer. We are continuing to network and let the community know what our Supported Employment program is all about and how our team makes an impact in the business world.
