FEBRUARY STAR SPOTLIGHT

JOHN BROWNLEE

John has been a part of the Carousel family going on a year now. John is a very happy, easy going individual. When John is happy, you can usually find him with a smile on his face and making a variety of his happy noises. John is a very tidy person and makes sure everything has a place. John's hobbies are music, bowling, and sorting different objects. John has a very good nature and is quite the ladies' man. We are very lucky to have him as a part of our Carousel family!

SUPPORTED EMPLOYMENT NEWS

There's no rest for the weary for our Supported Employment Team. They keep themselves busy as they continue to expand their horizons through Career Exploration, Job Development and Team Building activities. Some team members are learning how to utilize job search skills through Microsoft Word and Excel. They're learning the ability to use different functions in creating a visually effective resume and how to organize lists of companies explored for possible future employment. Our two new community partners have given us the opportunity for members of our team to explore careers in the food and janitorial industries. We also continue to make great progress with our blessing bags class project! Additionally, we have done several team building exercises. Of course, love is in the air with our team at the Carousel Workshop. As you go through the building, you will not only see hearts and flowers a plenty, but some of the most loveable people you'll ever meet.
