### SUPPORTED EMPLOYMENT UPDATE

We are continuing to work on our relationships in the community. This month, we will be helping at Omni Nursing Home making crafts and trick or treating. We will also be picking up some extra days helping at the Community Kitchen. For October, we will be focusing on learning about Breast Cancer awareness and how we can help or get involved with events in our community. We will also be learning about bullying, internet safety, and sharpening our employment skills.

### CAROUSEL CENTER II

Due to unexpected delays with building permits and the installation of the fire alarm system, we have decided to push back the opening of the Carousel Center II to the beginning of the year!

Don't forget about our store! Fall is the perfect time to get yourself a comfy hoodie!
