NOVEMBER STAR SPOTLIGHT

BAMBI TAYLOR

Bambi has been a part of the Carousel Center for over 6 years. Bambi is happiest when she gets to do any activity related to Mickey & Minnie Mouse. Anything from watching Mickey Mouse Club House to decorating her classroom with Mickey & Minnie crafts, Bambi is excited to be doing it. Bambi also has a knack for sorting. When she isn't out on an outing or doing a craft, you can often find Bambi sorting items like blocks into different shapes, sizes, and colors. Bambi also loves watching and singing along to High School Musical. Back in early July, we welcomed Bambi into the Carousel Center 2, and she is doing amazing with the transition! She is more involved now than ever with going on outings, participating in different activities, and making crafts. We are glad to have Bambi as a part of the Carousel Center 2 family!

NOVEMBER STAR STAFF SPOTLIGHT

ELEASE ABRON

Elease has made a great impact in the past three months that she has been with the Carousel! Every day is a positive one when Elease is around. Her optimistic attitude and great personality can always put a smile on one's face, while leaving anyone she interacts with in good spirits. Elease's hard work and dedication has been an asset in helping our clients adapt with the move to Carousel Center 2. Her attention to detail in every aspect of her job while being considerate and caring at the same time is a huge benefit to RaeArc & The Carousel Center. For someone who has only been working at the Carousel Center 2 for three months, she has delivered a performance well beyond her years. We look forward to the future with Elease, and we are glad to have her as a member of the Carousel Center 2 family!
